

**MEMPHIS AND SHELBY COUNTY OFFICE OF PLANNING AND DEVELOPMENT
STAFF REPORT**

#20

CASE NUMBER: S.U.P. 08-204 CO

L.U.C.B. MEETING: February 14, 2008

(updated 3/24/08)

LOCATION: South side of Tracy Rd., 1634 ft. east of Rosemark Rd.

OWNER: Mary Green

APPLICANT: Tower Ventures V, LLC

REQUEST: Cell tower (CMCS), 199 ft tall

AREA: 6,400 sq. ft. site in a 6.59 acre tract

EXISTING LAND USE & ZONING: Vacant tract in the Agricultural (AG) District

SURROUNDING USES AND ZONING:

North: Across Tracy Road, vacant land and farther east, single-family residences on standard subdivision lots in Tipton County.

East: Cultivated farm land in the AG District

South: Cultivated farm land in the AG District

West: Single family residences on 2 – 5 acre tracts in the AG District

OFFICE OF PLANNING AND DEVELOPMENT REVISED RECOMMENDATION
Approval, with Conditions

REVISED CONCLUSIONS

1. *The selected site has some advantages within respect to this immediate vicinity -- (e.g. screening, setback, etc.)*
2. *The main population that needs service appears to be north of Tracy Road in Tipton County. OPD staff expressed a desire to see further justification for bypassing at least two sites to the north that appear to have potential. The CMCS carrier submitted the information requested.*
